

Required Band Accessories

As stated in the band handbook, the Claiborne Band will provide the most costly parts of the band uniform and the student is responsible for providing uniform accessories. Although you are welcome to purchase the items wherever you would like, the suggested locations/websites are reputable sources that are familiar with the specific items used by the Claiborne Band. Students will also be responsible for providing their own instrument accessories (reeds, oil, grease, sticks/mallets, etc.) throughout the year. The retailers listed are also great sources for attaining these items.
